

Office of Spiritual Life & Mission Leadership Application

Please Read

Thank you so much for your interest in working in the OSLM Office and applying for a leadership position in ministry at Oakwood. We believe that OSLM is at the heart of the Oakwood experience and we look forward to seeing what God has planned to do for you and through you. Please keep the following things in mind:

- Submitting an application does not equal a position of employment or appointment, but we will do our best to communicate to you when positions are filled. If you are not hired for a paid position, please note that this DOES NOT MEAN you cannot be a leader on campus or in our office.
- If you are not hired there are many ministries on campus that you can get involved in, or you can apply to start a new one.
- We are fully committed to the spiritual and emotional well-being of every student, faculty, and staff, and hold every employee of this office to a strict code of confidentiality.
